G O No L 10452-6/D 17-3-49

Sanctions a grant of Rs 3,000/=

Sinking of a drinking water well at Anekal Town Municipality

From

The Dy Commr B'lore Dt

No M 6-3014/48-49 Dt/10 2 49

Forwards proposals for the grant of an amount of Rs 4 000/ to the Anekal Town Municipality for the above work

—

1) No grant has been sanctioned during this year (1948-49) to the Anekal Town Municipality under "Water Supply & Drainage" Head. A sum of Rs 6,000/ has been sanctioned under "T D" Head for improvement works

2) The financial condition of the Municipality for 48-49 is as follows

| | | |
|---|---|---|
| Opening Balance | - | Rs 8556/ |
| Receipts | - | Rs 43 665/- |
| Total | - | Rs 52,221/ |
| Expenditure | - | Rs 42,138/- |
| Closing Balance | - | Rs 10 083/- |

3) The Commissioner recommends the Dc to sanction a grant of Rs 4 000/ for sinking a drinking water well at Anekal as per orders - No Regular estimate is however prepared

4) It is stated that the Municipality is not in a position to bear any portion of the cost

Sinking & Stenking water well in Anekal Town Municipality

5) Is there any water supply to this town or the work in what stage is it pending? what is the estimated cost thereof?

Form 2b/2/mg

6) The file relating to the improvement of water supply to Anekal town is linked (D No 4088/48-49)

7) The estimate prepared in 1945-46 was for Rs 94,400/ The chief Engineer has now sent a fresh estimate for Rs 1,41,200/-, the old one having been found to have become outdone and not suited for the present day requirement The scheme contemplates the sinking of two additional wells also

8) The Director of Panchayat Raj & Rural Development in this file has recommended the grant of a Gost - grant of Rs 47,000/ for sinking a drinking water well in the town The water supply in the town is reported to be very bad and is going to be worse during the ensuing summer Hence it is for consideration if the grant can for may be sanctioned with definite instruction to sink the wells

BANGALORE

Sir

Subject: Sinking of a drinking water well in Anekal Town Municipality

It is reported that at present there are only six taps, all within a radius of one furlong from the reservoir and that water is supplied through these taps to a portion of the town A major portion of the population of the Town make use of the water from Chikkere and Dodkere for drinking purposes On account of failure of rains this season the tanks in question have almost dried up and it is feared that during the ensuing summer the residents of the town are likely to be put to much hardship for want of supply of adequate drinking water

In order to tide over the scarcity of drinking water during the ensuing summer the council have resolved at their special meeting held on 23-1-49 to take action to sink three wells in the beds of chikkere and Dodkere and to request Govt for sanctioning a liberal grant for the purpose intended

In his report the President has stated that a well had been sunk in the year 1921-22 that it then cost Rs 2 670/- that in view of the increase in the cost of materials the cost of sinking a well would not be less than Rs 4 000/- at present, that the municipality is not in a position to meet any portion of the cost on account of its slender resources and that an out right water supply grant of Rs 4000/- might be sanctioned to sink at least one well for the present

It is a fact that the town is facing accute water supply problem and it is very necessary to get at least one well sunk in the tank-bed to tide over the water scarcity The financial position of the municipality is not sound and it is not in a position to meet any portion of the estimated cost

In these circumstances I request that Government may be pleased to sanction an outright water supply grant of Rs 4000/- to Anekal Town Municipality

A copy of the resolution of the Municipal Council together with the connected records is enclosed for favour of reference

Yours faithfully

Deputy Commissioner Blore Dist(Rural)
